Your Card is Ready for Auto-Renewal
==========

Hi Ernesto,

We thought you'd like to know that the following products are set to auto-renew between September 27 and October 26.

** Auto-Renewal Details **

Product Name : Domain Privacy for uanicode.com
Expiration Date : Oct 27, 2026
Renewal Cost : $0.00

Product Name : uanicode.com
Expiration Date : Oct 27, 2026
Renewal Cost : $18.68

Your total renewal cost will be: $18.68

We will try to auto-renew your domain 30 days before it expires and your Namecheap account will be charged first. If we find that there are insufficient funds available, we will then try your default payment card.

If your account balance is empty, or there are issues with your card, the renewal will not happen.

** Please note **

As mentioned above, if there are insufficient funds in your account, your default payment card will be charged.

You have selected the card (VISA **** 6497) for auto-renewal payments. We’ll attempt to charge your total balance of $18.68 on the day of renewal.

If you need to edit or update your credit card, you can do so easily from within

your account.
